

Step Out Sheffield

Photograph submission form

Photography Competition 2020.

Guidelines of Competition.

The aim of the competition is to find images that will celebrate the work of **Step Out Sheffield** and the environment of Sheffield in which we walk. This is to be inclusive of the walks run by **Step Out Sheffield**. The best images from each walk will be selected. The best 12 images will be used to create a calendar for sale for **Step Out Sheffield**. The image judged the best overall will be on the cover. The best images from the remaining 16 walks will also be included in the calendar.

Photographs should reflect at least one of the following criteria: The environment in which we walk – be it urban or natural; Seasonal variations at a location such as spring blossom or autumn leaves; conviviality, fun and friendship on the walks; hardiness of the participants.

An impromptu snap on a camera phone can be as evocative as a composed shot on an expensive camera. Use your camera's highest quality setting if you can.
