

Before you complete the application form below we recommend you visit at least one of our walks to meet the volunteer leaders and the walkers. This is the best way to find out what the role of volunteer walk leader entails and, very importantly, what benefits the walkers themselves gain from walking for up to an hour at a time in a led group. Each of our 25 weekly walks has its own unique character and make up. You are very welcome to try more than one and to compare and contrast them.

Please ask a volunteer walk leader to sign and date your form at the end of the walk(s) before completing the application form below:
